

Why go paperless?

Some people go paperless to de-clutter their lives. Others go paperless because it's good for the environment. Whatever your reason, here's what to expect:

- ▶ You will stop receiving a paper statement.
- ▶ Your next statement will be available exclusively online.
- ▶ You will receive email alerts when your statements are available.
- ▶ You can change your delivery preference anytime, so you can easily return to paper if it's better for you.
- ▶ You'll reduce the risk of lost or stolen statements.

Ready to go paperless?

- 1 Log on to your Account and click the "Statements" tab at the top.
- 2 Choose "Change Statement Delivery" from the drop-down menu.
- 3 Click on "Go Paperless Now!"

Be on time, every time! Here's how:

- Mark calendar with the bill due date.
- Sign up for email and wireless Alerts so you know when your payment is due and when your statement is ready.
- Schedule your payment online shortly after you receive your "Statement Available" email alert.

Don't Miss Your Alerts! Add our email address to your address book so alerts don't land in your junk folder. If you ever miss an email, check your junk folder or go to mycard.householdbank.com to verify your address.
